

## *Time to Grow | MOX, BOX, FOX*

May 24 | Matt Anderson

### **Warm up**

1. What jumped out to you from this week's message?
2. What happens to members when a church overly relies upon paid staff? Have you seen this play out?

### **Dig in**

3. What are the pitfalls of the Roman Catholic and Protestant "marks of the true church"?
4. Reread Ephesians 4:11-13 in the description of the APEST callings. Using the grid on your notes page, pick 2 callings and discuss their expression of God's character, a cultural hero, and their expression in the Ministry of Christ. What happens if these 2 gifts are absent? What happens if they are overly relied upon by a church or individual believer?
5. This week Pastor Matt highlighted the calling of an apostle in the Body of Christ. Describe the essential role played by an apostle, and what happens if that role is not expressed.

### **Wrap up**

6. Talk through the MOX, BOX, FOX visual. How is this philosophy different than how you may have previously understood church?

7. What is one thing you can do this week to better learn about your own calling? Consider the book, *Activating 5Q* by Allen Hirsh!
