March 24 | Carleen Soule

WARM UP

1. Describe your mother using a single word.
2. What stood out to you in the character portrayal of Martha?

DIG IN

3. Martha realized that the busyness, people-pleasing, and drive to achieve that she was so proud of, were actually covering up a void in her life. What was that void?
4. After Jesus rose from the dead, how did Martha's home function as a "church." Have you ever used yours in that way?
5. What is the greatest barrier for you to spend time sitting "at Jesus' feet"?

WRAP UP

6. What would you say is the "moral" of Martha's story?
7. Is there something you'd like to do or approach differently as a result of this message?
