April 18 | Pastor Matt Anderson

### WARM UP

1. Did your family have any springtime traditions growing up?
2. What stood out to you in this week's message?

### DIG IN

3. How did Jesus address the levels of "isolation" in the Samaritan woman's life?
4. How can Jesus' approach to integration in community help to address the social issues that divide society and people groups today?
5. Why does the Samaritan woman "deflect" in John 4:19-20? Talk about the risks and benefits of authentic, spiritual relationships versus staying shallow and trivial?
6. Do you feel that the last year of COVID isolation is making people more or less open to the kind of spiritual integration available in a Community Group?

### WRAP UP

7. Do you have any personal relationships that need hope, healing, or closure?
8. What is your plan or goals for the next semester of Community Groups?
