Faces of Easter | Noah

March 16 | Jamie Ressler

WARM UP

1. What was your conception of God as a child? Bearded old man? Angry judge? Chubby-baby angel? Something else?
2. What stood out to you in the character portrayal of Noah?

DIG IN

3. Have you ever thought you heard “heard God’s voice,” as Noah did? Either in some profound way or as some kind of internal nudge?
4. What did Noah hear God say both before and after the flood (Genesis 6:5 & Genesis 8:21)? What does this reveal about humanity in God’s eyes, and of God’s plan to “fix” the problem?
5. What did Noah teach us about the rainbow as a symbol of God’s weapon of judgment (Genesis 9:13)? What’s the significance of the rainbow around God’s throne in Revelation 4:3?
6. How did Noah describe the “dove” that rested on Jesus after his baptism (Luke 3:22)?

WRAP UP

6. How can you take steps to more clearly hear God’s voice?
7. Is there an area that you feel called to be make changes in order to intentionally be different than people around you? What might that be?
