

## *Colossians 2:6-15*

March 20 | Pastor Matt Anderson

### **WARM UP**

1. Have you ever been in an actual fight? What happened?
2. What stood out to you in this week's message?

### **DIG IN**

3. Why do you think we tend to fight about things that don't matter?
4. What do people need a reminder to be grateful for what they have in Christ? According to Pastor Matt, how do we protect that gratitude and prevent it from fading away?
5. Read Colossians 2:6-10. What is Paul trying to help them and us understand about resisting the things that can take us captive in our faith?
6. Read Colossians 2:11-15. What does Paul declare happens to us when we are baptized into Christ's family?

### **WRAP UP**

7. When we are vulnerable to other believers, we're able to form deep and interdependent relationships, which are impossible when we remain social groups that pretend to have it all together. With that in mind, we invite you to take a risk by sharing a challenging area in your life that you deeply need God's grace and the support of other believers.
