

## *Happy Money | Trustworthy in a Little*

November 13 | Matt Anderson

### **SEMESTER WEEK 7 FOCUS: MAKING FUTURE PLANS**

- Prevent your group from “petering out” by making solid plans for the final weeks of the semester. If you can, identify the dates and location of each gathering, along with any additional plans you have made for hosting a Sunday, a service outing, or an opening gathering.
- Announce that we really need each group member to fill out a survey by the end of the semester in order to keep our groups strong and make plans for the future. A link will be shared next week in group.

### **WARM UP QUESTIONS**

1. If you could push a magical button and be teleported anywhere in the world at this very second for a twenty-four hour vacation, where would you go?
2. What stood out to you in this week’s message?

### **DIG INTO IT!**

3. How does Luke 16:10 challenge the notion of waiting to be generous?
4. Read I Kings 17:7-14. What was the widow’s “fixed pie” plan, and what was God’s offer?
5. Do you believe that God opens doors for generous people that may remain closed if we simply focus on ourselves and our own needs/wants?

### **WRAP UP**

6. Have you ever built a prayer-based budget and submitted an Giving Card at Surprise? If so, what was the experience like and how did it impact your journey? If not, how do you feel about doing so?
7. What does being “trustworthy in a little” look like for you right now? Does the idea that God wants to give you “more” change your mindset in some way?
