

The End: Who will stand?

October 19, 2023 | Matt Anderson

Warm up

1. What superpower would you take if you could pick one (fly, super strength, x-ray vision, etc.)
2. What stood out to you in this week's message?

Dig in

3. Talk about the "cyclical progression" approach to understanding the Book of Revelation compared to seeing it as a prediction of a future sequence of events. How does each approach change the way the Book impacts us as readers?
4. What question does each of the four horsemen cause us to ask? Which of these four questions is most unsettling for you today?
5. How do these fearful images challenge us to wonder if our God is big enough to never disappear or disappoint us?
6. Read Revelation 6:15-17. As the powerful beg for death, what is the crucial question that they ask, which will be answered in Revelation 7?

Digging deeper (extra credit!)

7. In terms of who gets "sealed" or protected by God (to be able to *stand*), compare what John sees with what he hears in Revelation 7:1-10. Why do you think it is depicted in this manner?
8. How do you know if Revelation is working on you and having it's intended effect?
9. Are you taking part in this year's Generosity Party journey? What do you think of the process?

Series: *The End*
