4. Read Mark 5:21-24. Why did many other leaders resent Jesus and refuse to seek his help?
5. How do big problems have potential to overcome pride and experience God in a new way?
6. Read Mark 5:27-34. How is the bleeding woman like Jairus in this story? What do they have in common when it comes to seeking God's help?

DIGGING DEEPER (EXTRA CREDIT!)

7. Read Mark 5:37-40. Why does Jesus limit and carefully choose the number of people who are in the room when he cares for the daughter of the grieving widow and Jairus? How does it underscore the fact that we are impressionable and why a Community Group can help?
8. What are the 3 key ingredients in this Biblical passage? Which one do you think God may be nudging you to put into practice this week?
9. In Mark 5, Jesus heals everyone, but we all have situations that don't get better so neatly after saying a prayer. Can you see any lessons or good news in this passage for seasons when God doesn't quickly take the problem away?
